

**Sermon-based small groups connect the week to the weekend!**

*Dig deeper into the talk each week, while getting connected, cared for and known. Challenge yourself to see how the message actually makes sense and applies to your everyday life and do it with people just like you to support you on your journey.*

**Message Info:** On The Edge Of What's Next, 1/02/22 - Things are shifting. Sometimes dramatically and sometimes the shifts in life are more subtle. How can you be ready when you are standing on the edge of what's next. As we start a new year, lessons from Joshua, who was facing the impossible and great uncertainty will help us step into whatever is next in a way that leads us to the best stuff God has for us. *(Passages: Joshua 1:1-9; Jeremiah 32:17; John 14:26, 2 Timothy 3:16-17)*

**Discussion Questions:** Take your time and dig into these questions.

Can you remember a funny time you had to deal with change and it didn't work out great? Can you share your story with the group?

Sometimes the shifts we face in life can be dramatic and sometimes they are more subtle, but they can all lead to impossible feelings and uncertainty. Can you name a time life shifted on you and filled you with uncertainty? What happened?

Read Joshua 1:1-9. What stands out to you from this passage and why?

How can we practically live more in the promises God has given us? What gets in our way of living and trusting the promises of God.

Pull your phones out and do some research together on the promises of God. Create a list together.

How can you spend more time this year deepening your understanding of God's playbook for success?

**Group Challenge:** Could you give up one Sunday a month to start to serve and help us on our mission? Raise your hand by emailing [info@gracefreechurch.net](mailto:info@gracefreechurch.net)
